

RE: Letter of Recommendation for Christina Marie Joyce

To Whom It May Concern:

I am delighted to write this letter of recommendation of behalf of Christina Joyce. I have known Christina since 2008 when she came to me during my tenure at Fox Twentieth Television with an interactive media idea for a series I was leading. I was immediately impressed with Christina's creativity, business acumen and attention to detail. We entered into a profitable business relationship that lasted more than seven years, well past my tenure at the company. We also successfully collaborated on a television project while I served as Chairman, ITV Studios Global Entertainment & ITV Studios U.S. Group and have had many fruitful discussions also here at A+E Networks.

Christina has always been a thoughtful listener and shown herself to be honest, creative and engaging; and demonstrated a strong work ethic, with a talent to develop new business opportunities for television networks and distributors. She has a broad understanding of television program development, production, format sales, channel distribution and digital platforms and has achieved entrepreneurial success, exiting two television companies for more than \$300 million.

I highly recommend Christina to any company seeking an experienced executive and entrepreneur who has a great facility to meet the right people, hear their needs, establish trust and execute flawlessly on a common business objective. She is a person of high integrity, works tirelessly to achieve objectives and fearlessly takes on any challenge, both personally and professionally. Please feel free to contact me if you have further questions.

Sincerely yours,

Paul Buccieri
